SURGICAL GOWNS

Cruciality doesn't just go with works pressure, it also runs together with one's workwear. That's why we assure our fabric technology is made from the finest materials and core-spun for maximum durability to withstand the demands of your day without sacrificing comfort. PT (Power Thread Tailoring) believes that what you wear affects how you feel and ultimately, how you perform. It's comfortable enough for a long nap , allowing you to be confident enough for no mishaps, and technical enough for an even longer shift.

PATIENT GOWNS

We invest more on the comfort and flexibility of our tailored medical apparels, seeking the costumers empowerment, and letting them feel unashame of it's status as a patient. Being sick is somehow depressing yet we aim to lighten the mood on costumizing the gowns for adults and kids to be appealing and more chic attire.This small act can go a long way with respect to physical and emotional healing. Imagine this, the patients personality will be even vibrant, waliking around the unit with hands now free to wave at the doctors and the staff members.
